

Sub-Zero Product Information

Product Information

Important information for each Sub-Zero product is listed on the product rating plate (sticker). Refer to the illustration for each Sub-Zero product for the exact location.

Information included on the product rating plate (sticker):

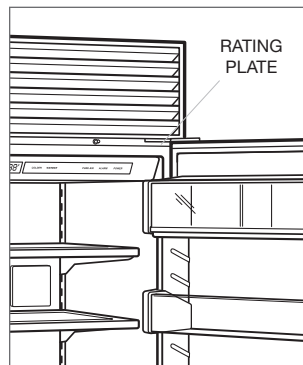

- Model and serial numbers. These numbers are required to register your product for warranty service.
- Electrical specifications including ratings.
- Refrigerant specifications including capacity.
- Interior storage capacity.

Activate your warranty today for a rewarding ownership experience. Register in one of three easy ways:

- 1) Online at subzero-wolf.com/register.
- 2) Call 800-222-7820 (have your serial number ready).
- 3) Complete and mail the postage-paid reply card.

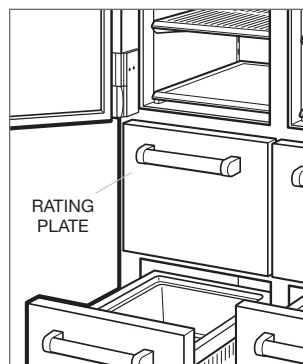

Built-In Refrigeration

The sticker is located on the top frame, near the hinge (left hinge for French door and side-by-side models).

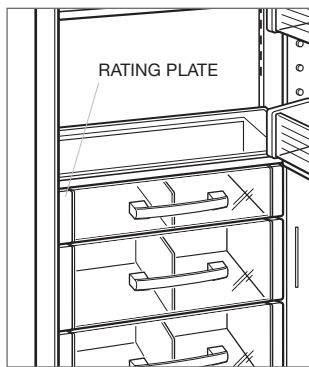

PRO 48 Refrigeration

The sticker is located on the left side of the top freezer drawer compartment (drawer must be open).

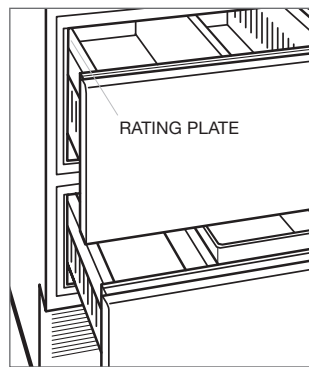

Integrated Refrigeration

For column models, the sticker is located inside the top drawer, near the drawer guide opposite the hinge. For tall and drawer models, it is located inside the cabinet, to the left of the upper drawer.

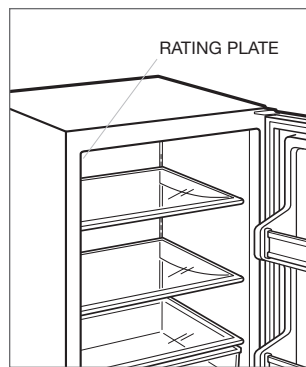

Column models.

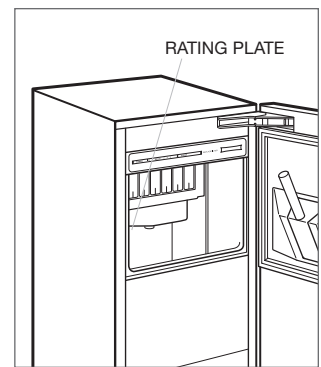

Tall and drawer models.

Undercounter Refrigeration

The sticker is located inside the cabinet, in the upper left area of the unit. For the ice machine, it is located in the upper left corner of the ice bin and on the back of the unit.

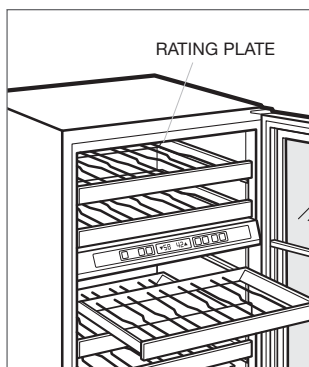

Undercounter models.

Ice machine models.

Wine Storage

For models 424G and 424FSG, the sticker is located on the underside of the top wall. For models 427G, 427RG and WS-30, it is attached to the underside of the control panel.

Models 424G and 424FSG.

Models 427G, 427RG and WS-30.
