

## Product Information

Important information for each Wolf product is listed on the product rating plate (sticker). Refer to the illustration for each Wolf product for the exact location.

Information included on the product rating plate (sticker):

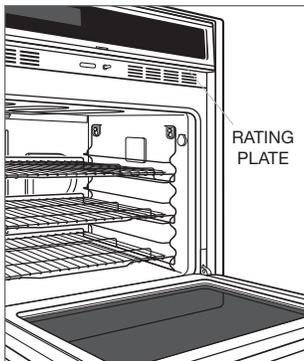

- Model and serial numbers. These numbers are required to register your product for warranty service.
- Electrical specifications including ratings.
- Gas specifications including ratings.
- Type of gas, for products manufactured for use with natural gas or LP gas.

Activate your warranty today for a rewarding ownership experience. Register in one of three easy ways:

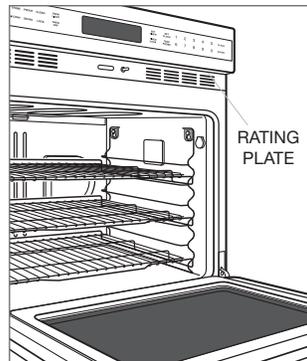

- 1) Online at [subzero-wolf.com/register](http://subzero-wolf.com/register).
- 2) Call 800-222-7820 (have your serial number ready).
- 3) Complete and mail the postage-paid reply card.
